**Purchase Orders:** Do not send us a copy of your purchase order. All subscriptions to our website must be pre-paid. That means we don't need your purchase order for any reason. You may still use a purchase order to track your expenditure internally, of course, just as you do any other transaction, and then simply pay this invoice. Your payment is all we need to process, and activate, your new subscription.

**Please do not mail this form to us without including your check payment.**

**Team Subscriptions:** This invoice is for individually subscribing teachers only. If you would like to pay for more than one subscription with a singular payment, please use the "invoice creator" on the website for school district purchases. It gives you a bulk discount when subscribing 3 or more teachers.

**Account Activation:** Upon receipt of the payment, the contact listed above will be sent an e-mail with instructions for activating the new account(s).

**Customer Service:** If you need assistance, require a copy of our W-9 form, or have a question prior to subscribing, simply write to: **support@masoneducation.com**. You will receive a reply via e-mail within 24 hours.
